MISSION

New Life Christian Academy's mission is to offer a quality Christian education, preparing and equipping our students to be a success in every area of life: spiritually, socially, physically, and emotionally.

VISION

The vision of NLCA is to prepare young people through the truths of God's Word to be complete in Jesus Christ. We desire to guide and encourage them to always put God first, living their lives as

unto the Lord and not men. NLCA embraces high academic and spiritual standards with an emphasis on patriotism and character

development. We will assist our students to achieve these standards through teachers and assistants who are spiritually grounded and rely on the power of His Word and working of His Spirit.
